## JANUARY 2010

### *Dear Friends,*

Is it possible that we are already in 2010? It seemed like we just passed Y2K and yet here we are and what an awesome year it has already been. We are seeing good things happen in our churches and in the lives of some.

We also have a couple of work teams coming down in January and February. They are always a blessing to us for fellowship and also they work really hard painting, repairing and building on our many areas of ministry. Frequently we give them a chance to preach and share testimonies. One thing about preachers is that we like to preach. When we have people come we love to let them use their gifts and it is very encouraging for us.

This beginning of the New Year I am preaching a series on Lordship and the conclusion is that if Christ is not Lord of all He is not Lord at all. Hope to see some of you this year as you come and see the work you are supporting. Brenda and I have given our office a face lift and it feels like a new place.

We have a few graduates and ones soon to graduate whom we are taking a trip with during spring break to Kentucky Mountain Bible College where we are hoping that some of our youth will go. Imagine the wonderful foundation that could be placed under these Navajo young people, so that when they return they can have an awesome impact in the lives of the ones they will minister to.

Please continue to pray for us to get a couple of new vans, one for people and one for our food ministry. Also we continue to need prayer as we advance in some new areas, possibly on the Navajo reservation.

Yours for souls,  
*Kenneth S. Kelley*

### PRAYER REQUESTS

- Pray that we will be able to quickly sell the metal building. We are being put off the land in Salt River since the passing of Pastor Begay. We need to sell it desperately or we will be in jeopardy of losing it altogether. If anyone is interested call us. It is 120' X 50'.
- We have a team coming out from Kentucky the first of February. They will be working on the buildings in Phoenix for us. Pray for them as they travel. They will be driving all that distance.

### \*\*\*\*\*PRAISE NOTES \*\*\*\*\*

- Praise the Lord for Evergreen Baptist Church group who came down and helped us paint the Parker Church. We had a great time of fellowship and even got some work done!
- We had a good board meeting last week and God has been blessing Southwest Indian Missionary Association.
